Any improvements that change/maintain the outward appearance of a residence/property require a permit. See ACC Policy & Procedure Manual for details (<u>www.BVACC.com</u>).

- <u>Application Requirements</u>: Submit applications with a plot plan indicating the exact location of the improvement (to scale), exact dimensions, and a drawing and/or a picture of the project with detailed specifications (drawings are to be on 11 x 17 size paper or less), color name/manufacturer of all materials used, and a picture of the residence (as applicable).
- **<u>Review Procedures</u>**: Applications reviewed <u>may require additional documents</u>. Applications must be approved by ACC's full committee unless otherwise stated at the time of submittal. Tours and meetings are held once a month. A schedule of tour and meeting dates are available upon request. Projects **shall not** begin without approval of the ACC.

ALL NEW CONSTRUCTION MUST MATCH PRE-EXISTING CONSTRUCTION IN REGARD TO COLOR, MATERIALS, AND AESTHETIC APPEAL (**SEE ACC Policy & Procedure Manual**). ALL IMPROVEMENTS MUST REMAIN WITHIN THE SETBACKS OF THE PROPERTY LOT LINES UNLESS OTHERWISE APPROVED.

Declaration: In the event that any construction is begun or commenced prior to receiving the approval of the ACC, appropriate action can be taken in Chancery Court to enjoin and stop further construction, under the general provisions of Article XV, Section 3 of the Declaration and Protective Covenants. **If construction has begun prior to obtaining a building permit, the permit fee will be double.**

** The Property Owner is reminded to check references and to verify that proper insurances and licenses are in effect to cover project and injuries. *The ACC will not be responsible for the workmanship, safety, quality, or conformity with contractual agreements. This matter is between the property owner and the contractor.*

<u>Disclaimer</u>: If any portion of improvement encroaches in the easement and the easement is ever needed at a later date for the purpose it is intended, the owner will be responsible for the removal at the owner's expense.

I have been given the opportunity to review the ACC's Architectural Design Standards and I certify that I understand the applicable standards stated therein for the permit I am applying for.
